Hold Annual Session Ridge Reflect Officers

On Tuesday morning, August 10, in Silverthorne Hall on the campus of the Northfield School for Girls was held the annual meeting of the Rustic Ridge Association. President Rev. Dr. Arthur L. Berger presided. After a prayer the reports of the various committees were presented and all upon motion were accepted. The Treasurer, Miss Ruth Card, offered her report which shows the association to be in a good financial position. The budget for the coming year was presented for consideration by the directors and upon a motion was adopted. The tax assessment was raised to one and a half percent to meet increased costs and a progressive program. At the election all officers were reelected for another year upon recommendation of the nominating committee. They are as follows: President, Rev. Dr. Berger; vice-president, Rev. Dr. W. H. Bollman; Treasurer, Miss Ruth Card; Clerk, William F. Hoehn; assistant clerk, Miss Gertrude Lauber; Directors, George W. Carr and Rev. Gordon Poole.

Who Has a Piano?

The Virginia Camp in East Northfield is looking for a second hand piano, and according to informants any piano would be better than the one they have now. They love to sing, so that a piano is absolutely necessary. If prospective donors will notify Mrs. Charles Mayberry, Mt. Hermon, the piano will be moved to the camp.

Hospital Aid Gives Flower Show 18th

A lawn party will be the effect produced by the Woman's Auxiliary to the Brattleboro Memorial Hospital's Annual Flower Show to be given this year in the dining room of the Centre Church parish house in Brattleboro, on Wednesday afternoon, August 18 from 2 to 7 o'clock. This will be the first time that Brattleboro has been treated to a one room flower show in recent years.

A garden effect will be produced by grass, lawn chairs and tables placed through the center of the room while trees will be arranged against the walls of the dining room.

J-Bon-Kim Kennels Wins Awards at Show

Mott P. Gubse, co-owner of the J-Bon-Kim Kennels, attended the Wachuset Kennel Club's All Breed held at Fitchburg on Saturday, August 7, 1948, with four Cocker Spaniels. J-BON-KIM's Perfection, a black puppy bitch, won her class and went on to reserve win. J-BON-KIM's Mister Honey Chip won the ABCOB (Any Solid Color Other Than Black) puppy class. Freckles, a black and white parti-color took fourth in the open, bitch class. Two Cocker Spaniel Figurines, a large copper bowl and four winners ribbons were received for the above performances.

Food Sale at Museum Aug. 14 Museum open

Saturday, August 14, the Northfield Historical Society will hold a food sale at the MUSEUM from 3 to 5. The Museum will also be open at the same time, admission free to the public. A special feature will be an exhibit of arrow heads and glass models of arrow heads belonging to F. Myron Durnell. The Society has acquired more show cases, as well as more donations.

The last opening of the summer will come Sunday, August 29, 3 to 5, featuring photographs taken 25 years ago by Mr. A. R. Levering of the Town's 25th Anniversary parade and costumes. This photographer has just given them to the Museum. Even oxen and stage coach were in the parade. The men's costumes certainly were fancy.

Local Board Serving Northfield

By presidential appointment the following men have been named as members of Local Board 11, in Greenfield, and serving Franklin County: Frank L. Boyden, Deerfield; Roy D. Harris, Greenfield; Ralph B. Leavitt, Orange; John B. Touher, Greenfield; James H. Warner, Sunderland. Government Appeal Agents, Raymond M. Trudel, Montague Center and Dr. Harold R. Mahar of Orange as Associate.

Julia Sikes Eunis Dies in Niles Ohio

Julia (Sikes) Eunis, 81, a former resident of South Vernon, died on August 12, at the home of her daughter Mrs. Ruth Ennis Edmunds in Niles, Ohio.

Mrs. Eunis, who maintained a home in South Vernon, usually spending her summers here, with one of the three Sikes girls. D. L. Moody discovered bradford straw hats at their mountain home. This scene, which has come down through the years as a part of the legend of the great evangelist D. L. Moody who was without a doubt the seed that was later to bring into full flower the world renowned Northfield Schools of today.

She entered the Seminary in 1880 and graduated in the class of 1887. Her sister Genevieve graduated in 1884 and Mary was to graduate in 1890. Mrs. Eunis outlived her sisters.

The body, accompanied by her daughter, is being sent to the Kidder Funeral Home. Funeral services will be held at the Christian Advent Church, So. Vernon, with Rev. E. W. Blackstone at 3 p. m. Sunday, August 15. Burial will be at the Tyler Cemetery.

Marshall-Pierson Wed At Chateau Ceremony

On Sunday, August 8, while intermittent rain fell on the turrets and towers of the Chateau, and with a large number of guests and relatives present, Miss Jean Lorraine Pierson, daughter of Mr. and Mrs. Paul Pierson of Athol, became the bride of George Edward Marshall, son of Col. and Mrs. William M. Marshall of this town. Rev. Joseph Reayes, pastor of the Northfield Congregational Church, performed the double-ring service.

The chateau was decorated with cut flowers, including gladioli, snapdragons, and greens. Traditional wedding music included "Because", "Oh Promise Me", and the "Lord's Prayer" with Robert Lillie of Athol as soloist and music by the Northfield trio.

Miss Nancy Pierson, sister of the bride, was maid of honor while her younger sisters, Beverly and Verna, were flower girls. Bridesmaids were Mary Hoyt, Doris Higgins, Marilyn Dresser, Myree Richmond, and Barbara Ware. Ross E. Spencer of Northfield was best man and ushers were Edward M. Powell, Jr., John Rikert, Robert Pierson, Harold Bigelow, Jr., and Stanley Manukowsky.

The bride was gown in traditional white satin fashioned with a tight bodice and a full skirt. Her veil was of exquisite net and she carried an arm bouquet of gardenias and stephanotis. The bridesmaids and flower girls wore gowns of pastel shades fashioned with tight bodices and full skirts. Each carried a star-shaped colonial styled bouquet.

At the reception for the bridal party, Miss Eleanor Hatch was in charge of the guest book.

For a wedding trip to the Lake Champlain area, Mrs. Marshall wore a blue gabardine suit with white accessories and a corsage of white roses. They will be at home after August 16, at Main street, Northfield.

Marshall was a member of the naval air corps and served three years during World War II.

He is at present manager of the "Larch String", a local restaurant.

Bazaar Well Attended

The Congregational Church Bazaar was held last Friday, August 6, despite threatening skies. The sun finally did shine on the festive lawns of the J. Austin Dalys, and the total returns for the day were approximately 400 dollars.

The crowds came early and many of the tables were sold out before the Bazaar was over. The flag bedecked "jeep" was busy all afternoon with the young customers who wanted to ride in this fascinating vehicle. A ball game was in progress on the vacant lot, but no score was announced.

Warwick Home Reunion

Friday and Saturday, August 20 and 21, are to be two eventful days in Warwick when the 54th annual Old Residents reunion will be held with a most entertaining program. The big dance will be on Friday evening and Saturday will witness the children's sports, a baseball game, a band concert by the Minute Taploca Band of Orange and the dinner will be at noon. In the evening there will be a commemorative service in the Unitarian Church with an address by Rev. W. W. Argo and songs by J. Henry Heald of Boston. Many Northfield neighbors will attend and it is expected that many hundreds of guests will visit Warwick on that day for whom preparations have been made.

Ridge Annual Social Was Important Event

The annual social event of the year for the residents of Rustic Ridge was held at the home of Mrs. J. F. Schmadeke on West lane on Tuesday afternoon with a hundred members of the Ridge Association present as well as a number of guests. Arrangements were made by the Hospitality and Social committees which have consolidated, with Miss Minnie Erb as chairman. Mrs. Schmadeke received her visitors at her home assisted by the committee members and an interesting program of music and reading was offered. Narden Lesing of the Northfield Hotel orchestra rendered several cello selections and Mrs. Lesing sang a number of songs. Mrs. W. H. Bollman gave a reading portraying a story of the long ago. The committee served refreshments and a social hour followed.

September Plans For Northfield Forum

That the general public should take a more active interest in the affairs of the town, state and nation, was the sense of the second meeting of the Northfield Forum held Thursday, August 5, at the Town Hall.

Despite the scarcity in numbers the members of the round table made up for this deficiency in the opinions offered concerning the topic of "Labor vs. Management". The topic itself, with all its ramifications, is far too complex to be discussed in one evening. However, a firm foundation was laid for any future consideration of labor and management.

On September 9, Thursday, at the Town Hall, the third session of the Northfield Forum will undertake a discussion of "What is a Democracy?"

Everyone is invited and welcome to join the round table group. There is no admission.

Hostellers in Seattle

From Miss Harriett Richards of Mount Vernon, Wash., and a former resident of this town comes to the Press an account of the visit of the youth hostel group of young people to the city of Seattle. They were a group of those who left Northfield for Montreal, Canada, to take the rail and bike journey across the continent about the middle of June and expect to be back about September first. They prepare their own meals and use their bicycles for short trips wherever the train stops at places of interest. They sleep wherever facilities are found. The entire group did not go to Seattle as the party divided to be assured accommodations. The Seattle group were housed aboard a ship for their short stay. The leaders are Miss Dorothy Healy of Shelton, Conn., and Vladimir Vrela of Prague, Czechoslovakia. The Seattle Times in its issue of July 27 gave a fine description of the visit and pictures a group at the train. Northfield, Mass., is given credit as the Youth Hostel headquarters.

Orange Antique Show

The first annual Show and Sale was held at the Town Hall Orange, on August 10, 11, and 12, under the direction of Mrs. Belle Libby Hinkley for the benefit of the Orange Historical Society.

A highlight of the show was a fashion show featuring both old and new costumes.

"The Attic Outlet", represented by Mr. and Mrs. L. Percy Goodspeed, were occupants of a booth at the show, displaying a large colorful collection of antique glass and china.

A large number of visitors and dealers were present.

Entertained Children

The children of the Ridge were given a party last Friday afternoon at the home of Miss Theresa Simar on Woodruff Way. A large throng had gathered, which completely filled the house where they were entertained with moving pictures of wild life by Rev. Parker Holloway. The children were also entertained with games on the plaza and refreshments were served. Miss Simar was assisted by a committee of women.

Six Injured in Two Car Crash on Main St.

Six people were injured when a car, driven by Dr. George A. Bronson, Northfield, and a new 1947 Buick convertible owned by Marc Eastern, Brooklyn, N. Y., were in a collision on Main street, at 5 p. m. Friday, August 6.

Dr. Bronson, proceeding south on Main street, after waiting for a line of cars to pass, turned left into his driveway, but before he could make the complete turn he was hit broadside by the Eastern car. According to the operator of the New York state car, they were proceeding at a speed of 25 to 30 miles per hour and did not see the Bronson car until it was too late to stop. Braking marks on the highway, made by the Buick, were measured at 56 feet.

The Bronson car was severely damaged on the right side, and had to be towed from the scene, while the Eastern car was damaged extensively around the front end and was towed to Greenfield.

Dr. F. Wilton Dean treated Mrs. George A. Bronson who suffered a broken collar bone and shock; Miss Angle Carhart, Waterloo, N. Y., a sister of Mrs. Bronson, suffered bruises, as did Mrs. Florence Richards, East Syracuse, N. Y., a piece of Mrs. Bronson. Dr. Bronson suffered a wrenched elbow. "Gippy", the Bronson dog, escaped unscathed, except, of course, a case of severe fright.

The occupants of the other car, Mr. and Mrs. Max Endicoff of New York, and Mr. and Mrs. Marc Eastern, Brooklyn, N. Y., suffered cuts and lacerations and were treated by Dr. Ansel B. True.

Constable Martin E. Vorce investigated, and turned over his findings to State Police Officers James A. Malloy and Harold Ramsey who continued the inquiry.

Fire Is A Killer

Nearly 1000 people are killed by fire every month. Fires from electrical origin take a heavy toll of lives, but fires from other causes multiply the tragedy many times over. Protect yourself and your family from this killer. Always follow these simple rules:

1. Avoid overloading a circuit with more appliances than it should carry. Use only fuses of correct amperage. Call a licensed electrician to repair frayed extension cords or faulty appliances. Use only wiring and appliances bearing the Underwriters' Laboratories seal.
 2. Do not misuse gasoline or benzine for home cleaning.
 3. Chaparron your cigarette. Don't let it go out alone.
 4. Put every match out cold. Keep live ones out of reach of children.
 5. Clean, repair and insulate your heating plant, stove and chimneys.
- Last February in Cambridge a family of six was snuffed out in less time than it takes for a new baby to be born. Fire was the killer. This is repeated many times over.

FIRE IS THE FIFTH HORSEMAN!!

"Take It Easy"

There was a slight ironic note at the scene of the automobile accident last Friday on Main street. The low slung opulent looking automobile, born out of man's madness for speed, lay lifeless on the highway with its chrome snout snubbed against the other car.

Twin rubber burns marked the highway. People milled around and the long necked wrecker peered over the scene.

One of the cars had a motto imprinted on the windshield — apparently visible only to those looking from the outside, and not to those looking from the inside. At least if it was visible from the inside — very little attention was paid to it.

I said: "TAKE IT EASY" and "DRIVE CAREFULLY."

Turn it around the other way — it's easier to see that way.

Public Forums

The second in the series of forums sponsored by the PRESS was held August 5.

The number of the participants had increased over the first session which is encouraging considering the many other summer activities taking place on the same evening.

The discussion was lively, and the group responsive to every phase of the subject. Some very interesting information, and one very new idea, was introduced to the group. However, the limitation of time prevented further examination of this theory which will be taken up at some future forum meeting.

These summer meetings are being held in an effort to ascertain the ability and scope, of a small group of Northfield citizens in conducting a forum or discussion group. It is hoped that this group would form the nucleus for a permanent organization to be started in the fall.

Through observation we have discovered that many of us conflict theory with practice and therefore our next subject will be "What is a Democracy?" A great deal of material is available on democracy so the group should have a well prepared discussion on September 9.

Those of you who would like to come and listen without participating are welcome as well as those who wish to be included in our group.

Casey Out; Hurley In

George Casey, manager of the Northfield A. A. for the past two years, announced his retirement from that post due to the pressure of personal business.

Tom Hurley will take over for the remainder of the season. The Franklin County League schedule concludes this Sunday, but the Northfield A. A. will continue to book games until Labor Day.

A number of local players will join the team for these independent games.

REV. and MRS. ELLERY GILBERT ALDRIDGE

Gospel Car "Evangel" Visits Here

A 23 year old Ford truck-trailer is their home — and has been for 15 years. The Gospel Car "Evangel" has carried the Rev. and Mrs. Ellery Gilbert Aldridge a total of 93,000 miles. They have spread the gospel from the Canadian border to Mexico, and as far west as the Mississippi River.

On their recent visit to Northfield, the Rev. and Mrs. Aldridge revealed the extent of their work under the Colportage Division of the Moody Bible Institute in Chicago, Ill. Their extraordinarily compact trailer, which is their

home and church, contains hundreds of publications, bibles and pamphlets — and this material is distributed to residents of trailer camps, the inmates of penitentiary or the assorted performers in a dusty road-side carnival.

The Aldridges were graduated from the Bible Class of the Moody Bible Institute in 1918, and from the music class in 1920. Both are ordained ministers. While both play the trombone, only Mrs. Aldridge plays the portable organ, that is stored in the trailer. Mrs. Aldridge is also a prolific song writer and a poet.

Their travels have taken them to Mexico seven times and they at-

tended an upper New York State conference with Billy Sunday during the last three years of the life of this great evangelist.

Mr. Aldridge revealed that this work is still under the direct supervision of the last living D. L. Moody appointee, Mr. William Norton, a Mount Hermon graduate of the class of 1896.

The Aldridges displayed a great community of interest and personal harmony in their living during their brief visit here with their "traveling bookstore."

Their work is described and crowned by an excerpt from one of their pamphlets, "He that winneth souls is wise."

COLONIAL CHRONICLES

History in the Making in Northfield
NUMBER TWENTY-SEVEN IN THE SERIES
Prepared by the Northfield Historical Society

For several years Northfield had passed up its opportunity to send a representative to General Court in Boston, until 1737 when the town commenced its 120 years of sending a leading citizen, until that system changed. At this particular period the families that supplied selectmen most frequently were the Alexanders, Fields, Hunts, Strattons and Wrights, Moody descended from the first and last families.

Peace had given the Hampshire County Court time to note that Northfield was evading the law that required a school in session. (Franklin County was created in 1811). Thus in 1736 Northfield had to open a school (Blacksmith Field's wife had held school about 1720). Seth Field about now commenced his forty years as town school master. He had been fitted for Yale by Rev. Benjamin Doolittle and was graduated in 1732, the first boy from town to attend college. He married one of the Doolittle daughters and served as town treasurer and town clerk. He had done his share in defense under

Kellogg at Fort Dummer and was on his way up in the list of officers. Like most settlers, Seth Field could tell of ancestors in the events of the valley, such as at the Turners Falls fight and at the Deerfield Massacre and Captivity.

Meanwhile, military customs had come and gone. For a time on the Sabbath a drum called the folks to meeting, but a flag now was hung out instead. Town taxes paid the minister, the drummer and the person who put out the flag, or swept the Meeting House.

Rev. Doolittle continued as valley doctor as well as town pastor until his death in 1749 at his home, where his son kept tavern, and now the site of Revell Hall, where Moody had the first building for his school. It was quite customary for ministers then to be installed for life, unless they chose to leave. The Church could dismiss them without much bother by simply having the town neglect to pay their salary or to increase it as needs required.

Keene Theatre Has "John Loves Mary"

Keene Summer Theatre, Keene, N. H., — Tuesday through Saturday, August 10-11, JOHN LOVES MARY, a comedy by Norman Krasna, with Louis Edmonds and Joyce Harris. Performances evenings, 8:30.

"John Loves Mary" For Aug. 17 Showing

The name of the late Laurette Taylor plays an important part in two of the last three plays staged by the Brattleboro Summer Theatre.

The Brattleboro company, under the direction of Harry Young, is now staging "PEG O' MY HEART", the play that brought fame to Miss Taylor many years ago. On August 23, Monday, they will open with "THE GLASS MENAGERIE", the play that once again, after many years, returned Miss Taylor to a high place in our stage annals.

The Tennessee Williams' play, which claims several high awards, will star Julie Hayden, a member of the original Broadway cast, supported of course by the highly competent members of the resident company.

"The Glass Menagerie" will close the Brattleboro summer season for

another year — a highly successful season at that. "JOHN LOVES MARY" an uproarious comedy opens this coming Tuesday, August 17, and will close on Saturday, August 21.

Town Topics

Mr. and Mrs. J. Edgar Livingston and son James, have gone to Rockland and Vinal Haven Island, Maine, for a week.

Mrs. Dorothy Billings, English teacher and music director at the High School, has resigned to continue college studies. A successor has not been named.

Compare the Values!...
Compare the Prices!...
—see why

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR

COMPARE the values; compare the prices; and you'll choose Chevrolet!

For to compare the values is to know that only Chevrolet brings you the Big-Car riding-smoothness of the original and outstanding Unitized Knee-Action Ride... the Big-Car performance and dependability of a world's champion Valve-in-Head engine... the Big-Car beauty and luxury of the enviable Body by Fisher... the Big-Car safety of Fisher Unitized Body-Construction

and Positive-Action Hydraulic Brakes... plus many another major quality advantage, still not available in any other motor car in its field.

And to compare the prices is to know that Chevrolet prices are the lowest in the field... and that Chevrolet value continues to be the highest in its field!

That's why Chevrolet is America's No. 1 car; that's why it's the car for you!

FIRST in Riding-Smoothness!
You just can't beat the genuine Unitized Knee-Action Riding Ride for real riding smoothness—real travel luxury—over any and all kinds of roads; and, remember, this famous "Knee-Action" ride is exclusive to Chevrolet and more expensive cars.

FIRST in Thrills with Thrift!
There's nothing like Chevrolet's world's champion Valve-in-Head engine for thrills and thrift. It holds all records for miles served and owners satisfied. It embodies that extra-sound, extra-dependable Valve-in-Head design, found elsewhere only in costlier cars.

FIRST in Testable Beauty!
You will be perfectly sure of your car's beauty-leadership when you own a car with the world-famous Body by Fisher; and this most desirable of all car bodies—beautiful from every angle, inside and out—is available only on Chevrolet and higher-priced cars.

FIRST in All-Round Safety!
You and your family will enjoy the triple safety protection of Fisher Unitized Body-Construction, the Unitized Knee-Action Ride! and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and higher-priced cars.

CHEVROLET— and Only CHEVROLET — IS FIRST!
